

# WE ARE UNITED WITH JESUS!

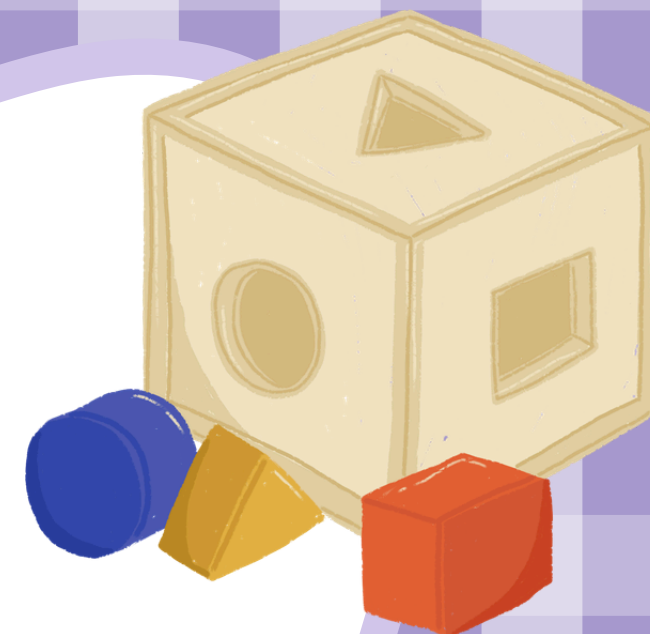

In the Eucharist — A Special Lesson for Grade 3

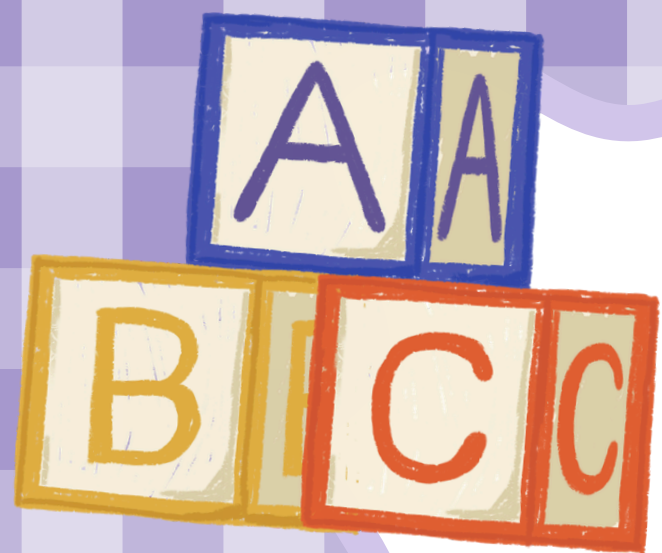

# GOD'S WORD

John 6:56  
"Whoever eats my flesh  
and drinks my blood  
remains in me, and I in  
them."  
Jesus wants to be close to  
us — always in our hearts!

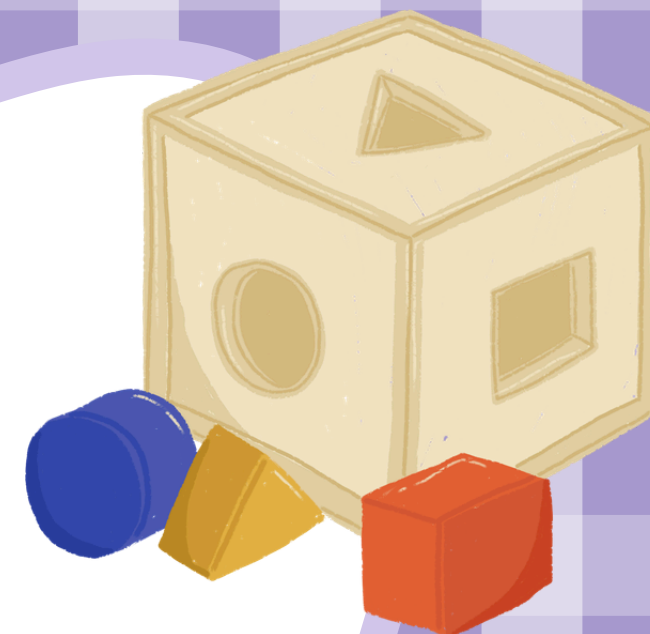

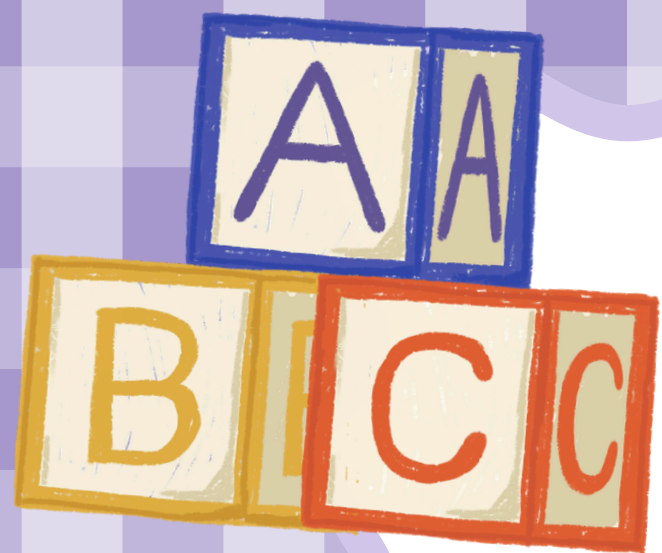

# WHAT IS COMMUNION?

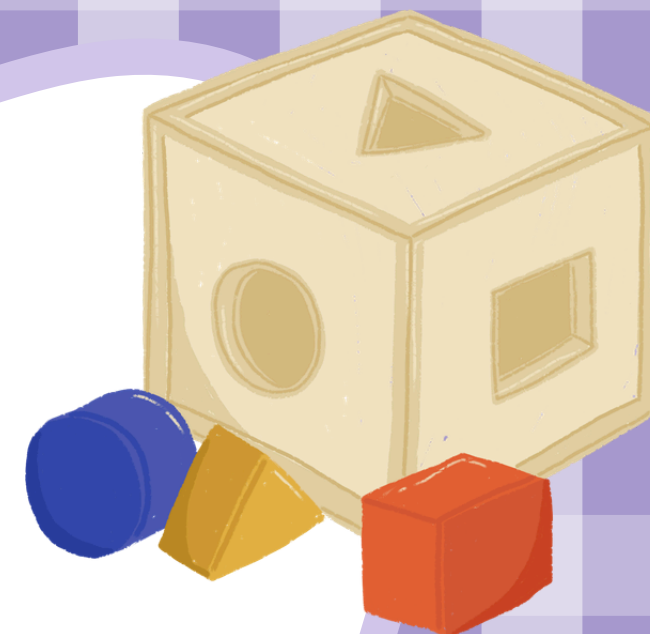

When we receive Communion, Jesus comes to live inside our hearts. He is truly present with us in a very special and loving way.

We become united with Jesus — like a hug from the inside! He stays close to us and fills us with His love and peace.

# JESUS LIVES IN OUR HEARTS

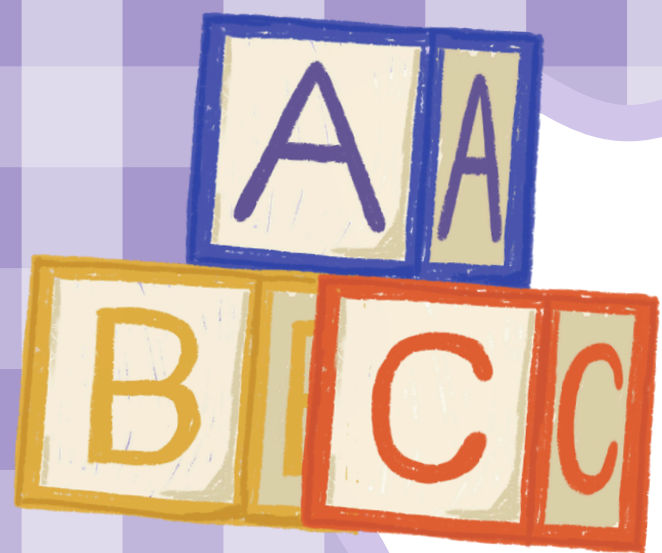

When we receive Communion, Jesus is always with us! He never leaves our side. We are never alone because He is right here in our hearts, every single day.

Jesus fills our hearts with His love! Just like the sun warms the whole earth, His love warms us from the inside. We feel happy, peaceful, and safe when He is with us.

We carry Jesus with us wherever we go — to school, to the playground, and back home. Everywhere we walk, He walks with us. We bring His love to everyone we meet!

# HEART DRAWING ACTIVITY

Draw a big heart in the middle of your paper. Inside the heart, draw Jesus. He lives in your heart after Communion!

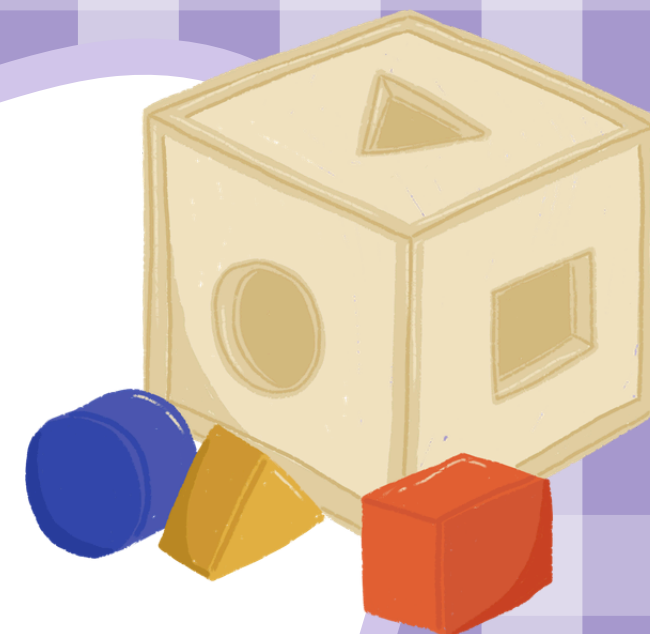

Around the heart, draw the people you will share His love with — your family, friends, and classmates!

# A PRAYER TO JESUS

Dear Jesus,  
Thank you for coming into my heart today. You are so  
good and I am so happy you are with me.  
Please stay with me always. Help me to be kind, to  
share, and to love others the way you love me.  
I want to carry you in my heart everywhere I go.  
Amen. ♥

**JESUS  
LOVES  
YOU!**
